**Statement:**

Augusto Fanjul's exploring the idea of being self-aware of the space the one occupies and how that space becomes one with the figure. By experimenting with color and the richness of the oil colors, Fanjul intends to create sophisticated and complex figures that at the same time becomes one with the space that surrounds it.

**Biography**

Born in Santo Domingo, Dominican Republic in October 1985. His studies on visual arts started on 2006 at the National School of Fine Arts (2006-2010).
