Curated by Natalie Frank**

May 14 - May 17, 2015

**Pier 94 - Booth B39
12th Avenue at 55th Street
New York, NY 10019**

New York Academy of Art is pleased to participate in Art Miami New York, exhibiting works by **Emily Davis Adams, William Bolton, Maya Brodsky, Christian Fagerlund, Elizabeth Glaessner, Michael Kagan, Panni Malekzadeh, Matthew Miller** and **David Pettibone** curated by New York-based artist **Natalie Frank**. Frank has had multiple solo exhibitions, including her most current show of drawings at The Drawing Center that reconstruct fairytales from the Brothers Grimm.

For its first presentation at Art Miami, the Academy will exhibit works that highlight a wide range of fluency in rendering and championing figuration curated exclusively from the Academy's prestigious post graduate Fellows program. The program has served as a launching platform for many of the Academy's most promising talents. From Emily Davis Adams' meticulously rendered slabs of cement to Elizabeth Glaessner's evocative, painterly meta-narratives, the Academy's Fellows are producing some of the most visually stimulating and technically impressive emerging art.

Also, **Natalie Frank** will be signing copies of her new book *Tales of the Brothers Grimm* within the booth on Friday, May 15th, from 5-7pm.
